## IT'S EASY!

**EXPAND**  
YOUR BUSINESS

**Large projects are a great way  
to grow sales.**

- Multi-family dwellings
- New home construction
- Renovations & rehabs
- ADA-required projects
- Schools, hospitals, and more.

### PROJECT EVALUATION

Our experts handle **inventory checks, pricing, value engineering options, and scheduling details** to ensure you have what you need to present the opportunity with confidence.

### PROJECT FULFILLMENT

We will never commit to a project until we are 100% certain that inventory and lead time requirements can be met. Once the project is won, your **inventory is secured for the duration of the project.**

### PROJECT MANAGEMENT

Our team is here with you throughout the entire process. **We provide proactive support by ensuring timelines are met**, meaning fewer things you need to worry about during the process...leave it to KCD and worry less.
